

The Greater Fort Walton Beach Chamber of Commerce invites you to be a part of our 2008 Emerald Coast Health Fair on Saturday, September 13, 2008 from 9am until 2 pm at the Santa Rosa Mall. This event has been a tremendous success in the past -- benefitting our community and promoting our participating businesses. We plan to make this year's event even bigger and better!

The primary goal of this event is to build community awareness of the many quality health and wellness organizations that are available in our area.

We anticipate well over 100 businesses to participate in this event, all of whom will provide a host of healthcare screenings, services, information and activities. We will also be extensively advertising and promoting the event to the community through local television, radio and newspapers giving your organization considerable public exposure.

Below are various options for participation in this year's Health Fair. We sincerely hope that you will join us this year in promoting good health to our community.

If you have questions, please contact the Greater Ft Walton Beach Chamber of Commerce at 244-8191
